

**The Research Catalysis Group Frontiers in Catalysis: FRONT-CAT** (Universidad Autónoma de Madrid, [www.uam.es/jose.aleman](http://www.uam.es/jose.aleman)) is devoted to catalysis in three main different areas: organocatalysis, photocatalysis, and material catalysis. *Currently, we are looking for:*

**2 X Predoctoral researchers (3 years contract)** highly motivated who are interested in catalysis.

**Research topic:** The applicant will work on the development of new photocatalytic reactions to synthesize important pharmaceutical active compounds.

**Research Center:** Science Faculty, Universidad Autónoma de Madrid.

**Applications:** A brief CV (maximum 2 pages) (email to [jose.aleman@uam.es](mailto:jose.aleman@uam.es)).

**Deadline:** 31<sup>th</sup> October, 2021
